

KHALED ABOLD

COMPANY PROFILE

OUR STORY

One of the first importers of fine vehicles in Egypt, Hussein Aboud's flourishing dream is to fulfill ultimate excitement through exotic products and services directly introduced from Germany, Italy, Belgium and The Netherlands. As a natural evolution, the brand of Khaled Aboud Automotive was born in 1968 in the namesake of the founder's son. Khaled Aboud took it upon himself to continue his father's legacy with currently two international franchises in both Belgium and Vienna. Translated impeccably, the heart of our experience is inspired by excellence of craftsmanship, exclusive automotive features and impeccable innovation; qualities we will continue to share with our customers. With such great passion and dedication for our work, each department strives to provide the exceptional quality and luxury shopping experience that our customers deserve before, during and after the sale.

VISION

Khaled Aboud Automotive's vision is to become the world's most renowned automotive center for premium, personalized vehicles by continuing to provide customized breathtaking masterpieces with a perpetual passion for distinguished luxury.

EXCLUSIVITY

Khaled About Automotive is the only Exclusive exhibitor and seller of all the BMW "M" Models initially created to facilitate BMW's racing program, which was very successful in the 1960s and 1970s. As time passed, BMW M began to supplement BMW's vehicle portfolio with specially modified higher trim models, for which they are now most known by the general public. These M-badged cars traditionally include modified engines, transmissions, suspensions, interior trims, aerodynamics, and exterior modifications to set them apart from their counterparts. All M models are tested and tuned at BMW's private facility at the Nürburgring racing circuit in Germany.

X5 M COMPETITION

Every X5 M utilizes an eight-speed automatic transmission and a variable all-wheel-drive system. The latter allows the driver to choose between maximum traction at all four wheels or added agility in the rear-biased track mode.

X6 M COMPETITION

Gifted with the same raucous engine that powers the BMW M5 sedan, the X6 M is motivated by a twin-turbo 4.4-liter V-8. It makes 600 horsepower and 553 pound-feet of torque in its natural state and 617 ponies with the Competition package

X7 M COMPETITION

The dynamic BMW X7 M Automobiles combine supreme elegance with exclusive offroad performance

M8 COMPETITION

The 2022 BMW M8 Competition Coupe delivers impressive horsepower, high-performance features, and stunning design for next-level exhilaration.

M5 COMPETITION

The BMW M5 has maintained an impressively flexible character over the years. Even as advancements in technology have propelled it to awesome levels of performance, the brand's mid-size super sedan has remained sufficiently luxurious and unassuming for low-profile chauffeur work.

M4 COMPETITION

The new BMW M4 Competition is all about you. A fantastic complement of standard design elements, such as the carbon-fibre-reinforced plastic (CFRP) roof and distinguished high-gloss black runner boards beneath the doors, and you are sure to grab attention.

M3 COMPETITION

The BMW M3 has killer powertrains, impressive moves, and can be enjoyably driven every day, ... 2022 bmw m3 competition xdrive front. BMW.
